

SHAVING THE WAY TO CONQUER KID'S CANCER

Why are we having our heads shaved? To stand in solidarity with kids fighting cancer, who typically lose their hair during treatment. More importantly, we're doing it to raise funds for childhood cancer research.

Worldwide, more than 160,000 children are diagnosed with cancer each year. The St. Baldrick's Foundation partners with organisations around the world to fund childhood cancer research. We must all do everything we can to give kids a better chance for a cure.

Please support our team on behalf of these very special kids by making a donation and coming along to the event.

How to donate:

- Make your donation to The Michael Page Bald Dragons team
